SOCIETY OF  
AMERICA**

## Captain Nero's List

This List was created by the Kai Ken Society of America to Honor, Respect and Celebrate our beloved **Elder Kai Ken**, defined for the purposes of the Captain's List as a Kai dog who has reached the age of 13 years old.

Sai No Nero was a Kai Ken in Japan who lived to the age of 18 years and 7 months. His owner, Mr Hishinuma, shared photos from his daily walks with Nero each morning and ended each day with a photo wishing us all Good Night. Nero was beloved by Kai Ken enthusiasts all over the world and the long life and love he shared with his owner is a dream we all share in our relationships with our dogs.

Owners may nominate any purebred Kai Ken who has reached the age of 13 to be added to Captain Nero's List. They will be issued an embossed certificate from the Kai Ken Society of America in recognition of their Kai dog's long life well-lived and well-loved, designed for the KKSA by graphic designer Mr. Hishinuma, himself!

1. Dog may be living or deceased when nominated, as long as they have reached the age of 13
2. Dog may be registered AKC, UKC, FCI, or KKA, but in some cases if you just have Date of Birth, Kennel name, and dam/sire's call names we can take it from there.
3. Nomination information should include Dog's Name (Call Names and/or Registered name), Date of Birth, Gender, Owner's Name, Breeder's Name (if known), Country of Birth, and a Color Photo showing head and body.
4. Owner does not need to be a member of the Kai Ken Society of America, the AKC national breed parent club for Kai Ken in the USA. (though we welcome you to check us out and join if you wish!)
